Researchers from the universities of Bristol and Kent reviewed current housing laws and surveyed almost 1,000 people from the housing sector, including tenants and landlords. They concluded that the legal gaps within housing law don't address modern concerns, with some statutes dating back to the Victorian era. 'Victorian' housing laws 'in a mess', post-Grenfell study ... Civil and public sector workers have been urged to take advantage of the housing scheme being offered by the government. Government is offering its employees a special mortgage at an interest rate ... Take advantage of special housing scheme - Government ... Private registered providers of social housing (PRPSHs) are not always treated as public authorities and each case should be decided on its merits. Where the nature of their functions are of a public nature, their actions will be open to a challenge on public law grounds. In most cases this will include the act of terminating a tenancy. Shelter Legal England - Public law and human rights ... Many public-service minded students and alumni spend part of their careers in the private sector. Private public interest

firms, split summers, and law firm pro bono programs are just some of the ways to gain experience in both sectors. What Is Public Interest Law? | Harvard Law School Last year an Office for National Statistics review concluded that English housing associations should be regarded as public bodies and in September 2016 the ONS ruled that housing associations in Northern Ireland, Scotland and Wales should be similarly reclassified. Housing associations are concerned about this change as it may restrict their access to private funding. High Court considers whether housing association is public ... The history of public housing is the history of the housing of the poor. Even that statement is controversial, as before 1890 the state was not involved in housing policy. Public housing became needed to provide " homes fit for heroes " in 1919, then to enable slum clearance. Standards were set to ensure high-quality homes. Public housing in the United Kingdom - Wikipedia Public housing is a form of housing tenure in which the property is usually owned by a government authority, either central or local. Social housing is any rental housing that may be owned and managed by the state, by non-profit organizations, or by a combination of the two, usually with the aim of providing affordable housing.
